About This School

The Oakland Charter Academy serves 150 inner-city students in 6th through 8th grade. The focus of OCA is excellent student attendance (98%) which helps to ensure the academic needs of students interested in attending our school are met. We will provide them with an education to enhance their academic skills in reading, writing, spelling, mathematics, science, social science, business, and humanities in order to compete and be productive members in a capitalistic society. This will be a collaborative effort between school, family, and community.

Oakland Charter Academy Middle School, the first charter school approved in Oakland, has been serving sixth through eighth grade students in Oakland, California for thirteen years. OCA middle school finished the 2005-2006 school year with an API score of 857, and demonstrated the highest test score gains in the City of Oakland the past two consecutive years.

Oakland Charter Academy fosters students' motivation and belief in achievement while in the pursuit of an education. We are a free and public charter school that believes in the promise of hard working students from diverse perspectives, backgrounds, and talents. OCA challenges every student to strive towards a purpose larger than the self. The goal of every OCA community member is to be the best. We will provide every student an education that will develop their academic skills in reading, writing, math, science, history, social science, business, and humanities in order to be a prepared citizen of the 21st Century.

School Facilities

Summary of Most Recent Site Inspection

Oakland Charter Academy has a Facility Committee which focuses on the safety, maintenance and repairs of the building. Our building was inspected in 2004. We also get a quarterly sprinkler check by our alarm service providers.

Repairs Needed

Site repairs at OCA are ongoing. It is our intention to keep our facility safe, clean and good condition. The facility committee comes up with non-emergency needs as they meet. If there is an emergency, we address it immediately.

Corrective Actions Taken or Planned

Site repairs are ongoing and addressed by the OCA Facility Committee and Executive Board.

School Accountability Report Card Reported for School Year 2005-2006

Published During 2006-2007

The School Accountability Report Card (SARC), which is required by law to be published annually, contains information about the condition and performance of each California public school. More information about SARC requirements is available at the California Department of Education (CDE) Web site at <http://www.cde.ca.gov/ta/ac/sa/>. For additional information about the school, parents and community members should contact the school principal or the district office. DataQuest, an online data tool at <http://data1.cde.ca.gov/dataquest/>, contains additional information about this school and comparisons of the school to the district, the county, and the state.

School Description and Mission Statement

This section provides information about the school's goals and programs.

Oakland Charter Academy (OCA) will serve 150 students in grades sixth through eighth, in a safe and structured environment. The focus of OCA is attendance (at least 96%), since attendance assures that we will be able offer a thorough educational program for our students. We will provide students with an education that will develop their academic abilities in reading, writing, spelling, mathematics, science, social science and humanities in order to best prepare them to be productive members of society.

Opportunities for Parental Involvement

This section provides information about opportunities for parents to become involved with school activities.

Parents have various means in which to get involved at Oakland Charter Academy. One way in which an Oakland Charter Academy parent can become involved is by becoming a member of the OCA Governance Board. Parents have the opportunity to become a member of the board for a 2-year term at OCA, and oversee major aspects of the school plan. OCA also has committees such as the School Site Council (SSC) in which parents may actively participate, and the Shepard Scholarship Fund Advisory Committee which oversees funds for student summer opportunities.

Most importantly, we encourage parents to become involved in their children's education at home by assuring that their child is completing their assigned work, preparing a lunch for their child, and by making sure that their child leaves home for school at an appropriate time.

II. School Climate

School Safety Plan

This section provides information about the school's comprehensive safety plan.

We have a standard school safety plan that encompasses natural disasters and school violence. We have held regular drills at the school site throughout the school year. We have installed a bell system that includes a ring tone for natural disaster, or other school emergencies. Through our alarm providers, we conduct a bi-monthly sprinkler inspection. We have also provided emergency kits for every classroom which include first aid, small radios, and binder with student information, water, and important phone numbers.

We have practiced meeting at a predetermined location in case of a fire. We have also practiced the “duck and cover routine” for earthquakes.

Our staff is first Aid and CPR certified and has been trained in the OCA emergency procedures handbook.

School Discipline Practices

This section provides information about the school's efforts to create and maintain a positive learning environment, including the school's use of disciplinary strategies.

Oakland Charter Academy offers a self-contained curricular approach for middle school children due to a variety of reasons. What we have decided to move from a rotating system to a self-contained approach for reasons such as;

- More structure
- Less Behavior problems
- Increased instructional minutes
- Better coordination of schedules
- Less tardies
- Increased sense of community in every classroom
- Structure and stability for adolescents

We also have a student counseling program through the Native American Health Center, which provide individual counseling and recreational activities for students on an as needed basis.

Oakland Charter Academy has a detention program for the infraction of school rules that lasts 1 hour after school. We also have a half day Saturday School for students who continually break the rules, or for absences.

Suspensions and Expulsions

This table displays the rate of suspensions and expulsions (the total number of incidents divided by the total enrollment) at the school and district levels for the most recent three-year period.

III. School Facilities

School Facility Conditions and Improvements

This section provides information about the condition of the school's grounds, buildings, and restrooms, and a description of any planned or recently completed facility improvements.

Our facility offers adequate classroom space, and office space. We also have 4 mutli-purpose rooms for students. We have a Facility Committee which emphasizes a building upkeep program that stipulates painting every year, waxing of

floors 2 times a year, and general upkeep of building. Our school also benefits from the City Beautification Program provided by the City of Oakland which offers a morning clean up crew who clean the front of the school grounds at no charge to the school.

All of our classrooms are equipped with AC and heaters. The ac/heater vents, which are cleaned and maintained throughout the year on a quarterly basis.

We take pride in our school and work to maintain a clean and welcoming presence at our school. Children and staff take it upon themselves to keep OCA a clean, and presentable school site. We require that each student perform clean-up duties in the classroom and school wide to instill a sense of responsibility, school ownership and pride. We also have a part time janitorial service that cleans the school two times per week. Students clean the out door dining areas and tables daily.

School Facility Good Repair Status

This table displays the results of the most recently completed school site inspection to determine the school facility's good repair status.

Substitute Teacher Availability

This section provides information about the availability of qualified substitute teachers and the impact of any difficulties in this area on the school's instructional program.

OCA updates the substitute list every year, and on an ongoing quarterly basis. During this year, we have had former teaching staff return as substitute teachers. In case short notice, or an emergency situation, OCA will use services of organizations such as Teachers on Reserve.

Teacher Evaluation Process

This section provides information about the procedures and the criteria used for teacher evaluations.

Teachers are evaluated formally, twice a year, but informally, the director of the school offers a constant presence inside of the classroom. After being evaluated, teachers will meet with the school director to discuss the outcome of the formal evaluations. Teachers must also submit lesson plans the Friday prior to the lesson. The director reviews, and reviews to make edits as necessary.

V. Support Staff

Academic Counselors and Other Support Staff

This table displays, in units of full-time equivalents (FTE), the number of academic counselors and other support staff who are assigned to the school and the average number of students per academic counselor. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time.

Types of Services Funded

This section provides information about the programs and supplemental services that are available at the school and funded through either categorical or other sources.

Oakland Charter Academy offers a tutoring program throughout the day for students who score below a Basic level in a given subject. We also offer a two hour after school program for students who may be falling behind in content areas. We also have a mandatory 3 week, summer school program for all students. Saturday schools are also ongoing throughout the year.

Teacher and Administrative Salaries (Fiscal Year 2004-05)

This table displays district-level salary information for teachers, principals, and superintendents, and compares these figures to the state averages for districts of the same type and size. The table also displays teacher and administrative salaries as a percent of a district's budget, and compares these figures to the state averages for districts of the same type and size. Detailed information regarding salaries may be found at the CDE Web site at <http://www.cde.ca.gov/ds/fd/cs/> and <http://www.cde.ca.gov/ta/ac/sa/salaries0405.asp>.

Percent of Budget for Administrative Salaries	6.3	5.1

VIII. Student Performance

California Standards Tests

The California Standards Tests (CSTs) show how well students are doing in relation to the state content standards. The CSTs include English-language arts and mathematics in grades 2 through 11; science in grades 5, 8, 9, 10, and 11; and history-social science in grades 8, 10, and 11. Student scores are reported as performance levels. Detailed information regarding CST results for each grade and performance level, including the percent of students not tested, can be found at

the CDE Web site at <http://star.cde.ca.gov>. Note: To protect student privacy, scores are not shown when the number of students tested is 10 or less.

CST Results for All Students – Three-Year Comparison

This table displays the percent of students achieving at the Proficient or Advanced level (meeting or exceeding the state standards).

Norm-Referenced Test

The norm-referenced test (NRT), currently the California Achievement Test, Sixth Edition (CAT/6), shows how well students are doing compared to students nationally in reading, language, spelling, and mathematics in grades 3 and 7 only. The results are reported as the percent of tested students scoring at or above the national average (the 50th percentile). Detailed information regarding NRT results for each grade level can be found at the CDE Web site at <http://star.cde.ca.gov/>. Note: To protect student privacy, scores are not shown when the number of students tested is 10 or less.

IX. Accountability

Academic Performance Index

The Academic Performance Index (API) is an annual measure of the academic performance and progress of schools in California. API scores range from 200 to 1,000, with a statewide target of 800. Detailed information about the API can be found at the CDE Web site at <http://www.cde.ca.gov/ta/ac/ap/>.

API Ranks – Three-Year Comparison

This table displays the school's statewide and similar schools API ranks. The statewide API rank ranges from 1 to 10. A statewide rank of 1 means that the school has an API score in the lowest 10 percent of all schools in the state, while a statewide rank of 10 means that the school has an API score in the highest 10 percent of all schools in the state. The similar schools API rank reflects how a school compares to 100 statistically matched "similar schools." A similar schools rank of 1 means that the school's academic performance is comparable to the lowest performing 10 schools of the 100 similar schools, while a similar schools rank of 10 means that the school's academic performance is better than at least 90 of the 100 similar schools.

API Rank	2003-04	2004-05	2005-06
Statewide	3	6	8
Similar Schools	1	1	1

API Changes by Student Group – Three-Year Comparison

This table displays by student group the actual API changes in points added or lost for the past three years, and the most recent API score. Note: "N/A" means that the student group is not numerically significant.

State Award and Intervention Programs

This section will contain information about the school's participation in various state intervention and award programs only to the extent these programs were funded for the period addressed by this report.

Narrative to be provided by LE

Adequate Yearly Progress

The federal NCLB Act requires that all schools and districts meet the following Adequate Yearly Progress (AYP) criteria:

- Participation rate on the state's standards-based assessments in English-language arts (ELA) and mathematics
- Percent proficient on the state's standards-based assessments in ELA and mathematics
- API as an additional indicator
- Graduation rate (for secondary schools)

Detailed information about AYP, including participation rates and percent proficient results by student group, can be found at the CDE Web site at <http://www.cde.ca.gov/ta/ac/ay/>.

AYP Overall and by Criteria

This table displays an indication of whether the school and the district made AYP overall and whether the school and the district met each of the AYP criteria.

AYP Criteria	School	District
Overall	Yes	
Participation Rate - English-Language Arts	Yes	
Participation Rate - Mathematics	Yes	
Percent Proficient - English-Language Arts	Yes	
Percent Proficient - Mathematics	Yes	
API	Yes	
Graduation Rate		

Federal Intervention Program

Schools and districts receiving federal Title I funding enter Program Improvement (PI) if they do not make AYP for two consecutive years in the same content area (English-language arts or mathematics) or on the same indicator (API or graduation rate). After entering PI, schools and districts advance to the next level of intervention with each additional year that they do not make AYP. Detailed information about PI identification can be found at the CDE Web site at <http://www.cde.ca.gov/ta/ac/ay/>.

Completion of High School Graduation Requirements

Beginning with the graduating class of 2006, students in California public schools must pass both the English-language arts and mathematics portions of the California High School Exit Examination (CAHSEE) to receive a high school diploma. For students who began the 2005-06 school year in the 12th grade, this table displays by student group the percent of students who met all state and local graduation requirements for grade 12 completion, including having passed both portions of the CAHSEE or received a local waiver or state exemption. Due to the state's collection schedule for high school completion data, state level data for this reporting element will not be available for report cards published in the 2006-07 school year. Detailed information about the CAHSEE can be found at the CDE Web site at <http://www.cde.ca.gov/ta/tg/hs/>. Note: "N/A" means that the student group is not numerically significant.

XI. Instructional Planning and Scheduling

School Instruction and Leadership

This section provides information about the structure of the school's instructional program and the experience of the school's leadership team.

Oakland Charter Academy went through a major reorganization prior to the 2004-2005 school year. The school, which was in Program Improvement status, shifted its focus from culture and diversity to academics. OCA now offers a self-contained curricular model to maximize instructional minutes, and also purchased up to date , state aligned textbooks for every subject. We moved out of PI status this year.

Oakland Charter Academy's new director, Jorge Lopez has worked as a teacher, dean, and charter school administrator before arriving at OCA, His style is a no nonsense back to basic approach to education.

This year, OCA was the most improved school in the district the past two years having soared 208 points in the API.

Professional Development

This section provides information about the program for training the school's teachers and other professional staff.

This year, we became provisional members of the Consortium of High and Excelling Successful Schools (CHESS). Through the CHESS group, our staff attended a training retreat where different experts shared strategies for English/reading and math. Our teachers have opportunities to participate in several of teacher workshops and trainings.

We also secure trainings for our board members through a Governance workshop hosted by the CHES Group.

We also offer opportunities for our teachers to visit other schools to develop a deeper understanding of teaching as it applies in different settings, and to also learn new strategies, concepts, and resources from other schools.
